Complaints Procedure

YORLMC Ltd aims to settle complaints quickly and satisfactorily and provide an acceptable explanation to the complainer, including actions it proposes to take to improve its activities and decisions.

There are three stages to the complaint's procedure:

- Stage One – the complaint
- Stage Two – the investigation
- Stage Three – appeal

Stage One – the Complaint

A formal complaint should be made in writing to the Chief Executive, and sent by email to info@yorlmc.co.uk

If the complaint is about the Chief Executive, the matter will be passed to the YORLMC Board Chair for action.

The complaint should include the complainer's name and address, as well as the nature and date of the circumstances giving rise to the complaint.

Complaints will be logged on the complaints register, and the complainer should receive an acknowledgement within 5 working days of receipt of a complaint.

Stage Two - Investigation

All complaints will be dealt with by a Director to whom the Chief Executive has delegated the task of investigating the complaint. If necessary, they will speak to the complainer within 10 working days of receiving the written complaint.

Having been fully investigated, the Chief Executive or the Director who carried out the investigation will provide a written response to the complainer within 20 working days of having first received the complaint. Occasionally investigations may take longer, particularly if the complaint is complex. Should this be the case a holding letter will be sent after 20 working days and, if possible, a final date given for a conclusion to be reached.

Stage Three - Appeal

If the individual remains dissatisfied with the resolution of their complaint, they can appeal to the Board of YORLMC within 21 days working days of the date they are notified of the Company's decision. The appeal should be sent by email to the Medical Secretary info@yorlmc.co.uk setting out the grounds of their appeal.

The Appeal will be acknowledged by email within 5 working days, and the matter put to the Board at its next meeting. Thereafter, the Board may either uphold the decision taken at Stage Two or amend it, and the complainer will then be informed in writing of the Board's decision, which will be final.

Anonymous complaints

Complaints received anonymously will be recorded and considered, but action may be limited if further information required to permit a proper investigation is not forthcoming.

Data protection

To process a complaint YORLMC Ltd will hold personal data provided by the complainer, and which other people may provide in response to the investigation of the complaint. YORLMC Ltd will hold this data securely and only use it to address the complaint. The identity of the person making the complaint will only be known to those who need to consider the complaint and will not be revealed to other people or made public. However, it may not be possible to preserve confidentiality in some circumstances, for example, where relevant legislation applies, or allegations are made which involve the conduct of third parties.

YORLMC Ltd will normally destroy complaints files 10 years after the complaint has been closed.

A report of all complaints received, and their resolution, will be provided to each Board meeting. Wherever possible complaints will be used to improve and develop the responsiveness of YORLMC Ltd for the benefit of NHS GPs and practice teams across the areas of North Yorkshire & York and Bradford, Airedale, Wharfedale & Craven.
