

SPONSORSHIP POLICY

The aim of LMC Services Yorkshire CIC is to provide benefits to Local Medical Committees and their constituents, General Medical Practitioners and General Medical Practice Teams.

LMC Services Yorkshire CIC (the company) will not accept sponsorship from organisations whose products/services are deemed detrimental to health or unethical.

Any pharmaceutical company that provides sponsorship to company events are expected to comply with the ABPI code of practice; the company will assist with any specific requests in this respect.

To ensure fairness, more than one organisation will be involved at each event.

Sponsorship organisations will be notified of the costs the company is likely to incur by hosting each event. Where appropriate, the company will request a suitable contribution from each sponsor organisation, or alternatively, ask sponsor organisations to discuss amongst themselves a suitable contribution.

In addition to sponsorship, attendance fees will also be requested from delegates, unless considered to be inappropriate.
